 Day (s): Saturday
 Date (s): July 24
 Time (s): 11:00-12:00 p.m.
 Location: JCCC, Preschool Room

Nature and Art

Here is a chance for young artists to emulate the art that exists in nature as they define for themselves the nature of art. Students in this course will explore the surroundings at Sam Michaels Park in search of animals, birds and more. They then use the visual forms and artworks they discover as inspiration for a variety of creative projects. In the process, the course develops art and natural science awareness, builds basic art and design skills, and encourages young artists to explore a variety of media.

Program# 40141.01
 Fee: \$15.00
 Ages: 8-12
 Day: Saturday
 Dates: July 24
 Time: 12:30-3:30 p.m.
 Location: JCCC

Creative Works Painting Camp

Come to the Jefferson County Community Center where Children ages 8-14 will experiment with a variety of painting mediums including watercolor, tempera and acrylic to create collaged art works. Students will learn about color mixing, blending, and brush techniques. Paintings will be executed using a variety of mediums. **A \$5 supply fee is payable to the instructor at the first class.**

Preschool Activities

Indoor Playground

This activity for children ages 1-5 will allow your child to explore a variety of obstacles on their own. Slides, teeter-totters, climbing

toys, mini basketball hoops and multi-sized balls are available to allow young children plenty of room to run and play in a non-confined environment. Adults are responsible for supervising the children they bring.

Please no more than five children per adult. Any preschools or other large groups, please call (304) 728-3207 in advance to let us know you are coming. Special events may take priority over the indoor playground certain weeks at certain times. Please call to confirm.

All Locations: JCCC, Gym

Fee: \$5.00 1st child/\$3 for each additional child in one family . Price is per visit. Purchase a punch pass and SAVE!! \$40 for 10 visits.
 Ages: 1-5
 Day (s): Fridays
 Date (s): January 8-April 2
 Time (s): 10:00 a.m.-12:00 p.m.

Animal Adventures

This course will deepen children's understanding and appreciation of animals. Core subjects will include animal behavior, basic biology, the food chain, and the importance of biodiversity and conservation. Each class will explore a new critter theme, such as reptiles, birds, mammals, amphibians, fish, and arthropods. Activities will include age-appropriate crafts, stories, puppets, crea-

tive play, and/or gross motor skills. Under close adult supervision, there will be hands-on interaction with real live animals each class. Possible animal visitors include lizards, frogs, non-venomous snakes, a hedgehog, birds, a turtle, giant cockroaches, and other arthropods. **A \$5 material fee is payable to the instructor at the first class.**

Math Play

In this class you will do many fun things with numbers. Through math play, you will incorporate pre-math skills such as counting, recognizing numbers, working with measurements and shapes, and pattern recognition. Get ready to jump into math fun!

Play & Learn Preschool Program - Fall/Winter

This is an excellent preschool program that focuses on cognitive, language, physical and social-emotional development. Your child is encouraged to be an active participant by learning about his/her world through a variety of hands-on experiences with his/her peers including:

- ⊗ Opening Circle
- ⊗ Art & Science
- ⊗ Block Play
- ⊗ Snack
- ⊗ Field Trips
- ⊗ Gymnastics
- ⊗ Free Play
- ⊗ Work Jobs
- ⊗ Housekeeping
- ⊗ Story time
- ⊗ Music/Movement
- ⊗ Games

General Information: Children enrolled in the program get priority over new enrollees. The child must also be toilet trained. A detailed program brochure is available at the JCCC front desk. See the table below for dates, times, and fees. **A non-refundable deposit of \$50 is due at registration. Monthly fees for the session are due by the 20th of each month.** All cancellations are subject to at least a \$25 cancellation fee. Please refer to the Parent Handbook for additional deposit and refund information. **Pre-Kindergarten:** (4-5 year olds) This program develops reading skills through letter and sound recognition, and promotes the math skills of counting and number recognition through manipulative games. The children are introduced to science, art, music, and many other activities to help prepare them for Kindergarten. Social Skills are enhanced through outdoor play, gymnasium activities, and Field Trips.

Start Smart Soccer

Start Smart Soccer is a developmentally appropriate introductory program for boys and girls. Start Smart Soccer prepares children for organized soccer in a fun, non-threatening environment. The program allows children the opportunity to work one-on-one with a parent. The clinic teaches children a variety of soccer skills including: dribbling, kicking and passing, trapping, throw-ins and agility. Your child will use fun, safe, and developmentally appropriate equipment. The soccer exercises will become increasingly more difficult as the class progresses and children show improvement. Parents and children attend.
